The above list is a list of marriage licenses issued by the clerk of the Circuit Court for somerset County Maryland, on the dates specified, and contains the names of both white and colored couples, without anything to make a distinction, although the dates were for colored names in the list, the lists from May 1880- to May 1907 have been lost or misplaced and cannot be found. A few of the years were incomplete. Some few names illegible and some uncertain. The list is the best that could be made from the old papers.
